A little about the trip...

Crossroads will be serving alongside Mountain of Hope (Montagne de L'esperoir) in Fond Baptiste, Haiti. We will be working with Roberteau and Carolyn Desilhomme to help be the hands and feet of Jesus Christ to the people of Haiti. Along the way, we are certain that you are also going to be blessed beyond measure. You will be challenged and stretched in

ways that you may have never expected. Fond Baptiste sits high on a mountain in a rural area of Haiti. You will have the privilege of meeting the needs of this community through serving children in VBS, light construction on their facilities, Creole Bible distribution, leading worship services, and so much more!

in what God is
doing in this
community and
this nation!

A word from the host missionaries:

God used a missionary nurse to save my life both physically and spiritually. God has called my wife and I to go and do the same. He has given us a vision and an unfinished building (but progress is being made by each team!). When the building is complete, we intend to use it as a medical clinic, as housing for short term missions teams,

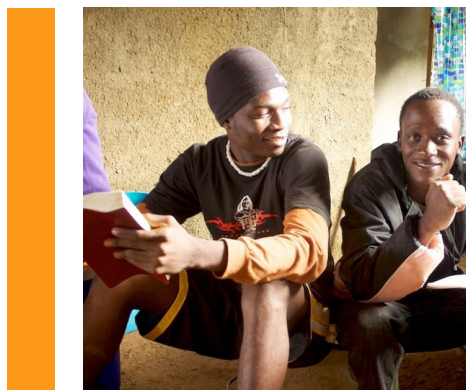

as a discipleship training school, and as a base for Vacation Bible School and other children's programs.

My wife and I attended a Medical Missionary Intensive course in North Carolina that taught us emergency medical procedures. We are not medical professionals and this training

is meant to be used on the mission field when there are no doctors available.

To that end, we had teams come already to work on the building and host VBS with great success! **Already, God is at work in this place!**

Consider how God can use you to help care for those in Fond Baptiste. Together we will bring Hope to this Mountain!

“Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age”

- Matthew 25:19-20
